MEMORANDUM FOR THE RECORD

Morning Meeting of 13 March 1967

ADD/I noted that over the weekend Secretary McNamara was concerned with the rice deficit in South Vietnam and that we sent him an analysis together with our past coverage on the subject, for which he was appreciative.

Godfrey reported on the five major ROLLING THUNDER targets hit over the weekend, for which there is as yet no post-strike photography.

Godfrey briefed on the results of the French elections and called the Director's attention to the Communist gains, which were better than expected. (See Action 1)

Houston said that he will be in New York tomorrow.

25X1 Bross called the Director's attention to a meeting of the Land Reconnaissance Panel this Thursday to undertake a second review of [REDACTED] Arrangements have been made for the A-DD/S&T, a representative from NIPE, and the chairman of GMAIC to attend.

25X1 Bross reported that the Baker Panel of PFIAB plans a meeting on 28 March, for which he has prepared a presentation of systems analyses already undertaken by the community.

A-DD/S&T called attention to the USSR's space launch last Friday and said that, while all the analysis has not been completed, it nonetheless appears to be a significant step.

The Director noted a letter from George Allen asking him to address the National Interdepartmental Seminar later this month. He asked the Executive Director to consider how this should be handled.

The Director decided there will be no USIB meeting this week.

ACTIONS:

2. The Director asked Goodwin for a transcript of the 26 February "Meet the Press" program.
